

# AGUSTA A 109 S

Manufacturer & Type: Agusta A 109 S Grand

Production date: February 2008

T.S.N.: 593 hours

Engines: Pratt & Whitney PW 207 C

Asking Price: 4.120.000 € + VAT

## **Optional Equipment:**

5 VIP interior seats	Cabinet whit refrigerant box
Improved sound-proofing	Entertainment system + video camera
Air Conditioning (Environmental Control System)	Apical Emergency Floats kit
Pilot /copilot seats adjustable in height and length	Crash resistant fuel system
Crash resistant pilot and passengers seats	Mast vibration absorber system installation
Satellite Phone	Step cabin passenger

## **Avionics:**

Pilot / copilot flight navigation EFIS (4 display)	Type KT 73 Mode S transponder
3 axis dual duplex AFCS, integrated Flight Director	TRC-497 (TAS) transceiver - receiver
GNS 430 and 530 AW TAWS receivers	Type RDR-2000 Weather Radar kit
Sky Force Moving Map	Stormscope
Type RT-300 radio-altimeter	Artex C406-2HM Emergency Locator Transmitter
Auxiliary Light Pilot-Copilot map read	

## **Components remaining times:**

Main Rotor Blade (x 4)	8.207 hrs	Tail rotor gear box	2.407 hrs
M/R servo-actuator (X 3)	1.207 hrs	T/R servo-actuator assembly	1.207 hrs
Main transmission Assy	4.207 hrs	Tail rotor blades (x 2)	9.407 hrs
Engine left:		Engine right:	
Turbomachinery module	2.907 hrs	Turbomachinery module	2.907 hrs
Reduction gearbox module	2.907 hrs	Reduction gearbox module	2.907 hrs
Fuel Management Module	3.407 hrs	Fuel Management Module	3.407 hrs

**Components times and specification are subject to verification upon inspection.  
Aircraft is subject to prior sale or removal from the market without any notice.**
